## CONSENT IN CASE OF MINOR.

I, John W. H. H. H., Do CERTIFY, That I am 19 years of age; and I do hereby freely give my consent to his volunteering as a SOLDIER in the ARMY OF THE UNITED STATES for the period of THREE YEARS.

(A. G. O. No. 74 & M.)

NOTE 1.—This blank will be used for both enlistments and re-enlistments. They will be made out in duplicate in all cases—one to accompany the recruiting return of the recruiting officer (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A recruit must, in all cases, precede payment of pay, bounty, pension, etc. A recruit in roll must, in all cases, be filed in the Adjutant General's Office as evidence of enlistment. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the recruiting officer.

FINAL STATEMENT

OF

Abraham Odell

24<sup>th</sup> Reg't of Missouri Inf

VOLUNTEERS.

Died April 9<sup>th</sup> 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, baggage, equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State or Territory, or by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and his family must be entered on the master roll on which the discharge is reported, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.

ARTICLES OF WAR.

ART. 93. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preference or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

#### DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 93th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies on post or station absent from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be accompanied by a statement of the effects of ———, late of company ———, regiment of ———, who died at ———, the ——— day of ———, 186—. If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported on the blank for inventory.

NOTE 2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they can be claimed by the legal representatives of the deceased.

NOTE 3.—In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, (Form 5) accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Receipt of the proceeds of the effects of ———, late of company ———, regiment of ———, who died at ———, the ——— day of ———, 186—."

NOTE 4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, no copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

Sir:

On the 5<sup>th</sup> day of July, 1861. being then in the service of the United States, as a scout and guide for Col. Frank Sigel. Comdg Southwestern Expedition, I was taken prisoner by the Rebel forces under command of Genl Ben McClellan. held four days and released upon what I was told was a "Parole." Saint Louis. Mo., Dec. 14. 1863.

Colonel:

I have this evening seen Maj. Montgomery who is Commanding the Battalion of your Regiment now in T. B. Mo., by whom I am informed that several vacancies are now in said Battalion. and further that he does not think there are noncommissioned officers in the Companies properly qualified for promotion.

Having long known you both as Citizen and Soldier. I write you to ascertain if you are willing to assist me in securing a promotion. But perhaps before I go farther I had better let you know precisely who I am. I am the boy who assisted A. F. Ingram publish the "American Standard" at Greenfield. Afterwards worked <sup>in</sup> the "Mirror" office at Springfield. Published the "Bolivar Pilot" for some time. and at the breaking out of the war was Deputy Clerk of Probate and Common Pleas Court of Greene County. I quit my position in the office went as Scout and Guide to Sigel on his march

through S. W. Mo. and up to the time of the fight  
at Carthage. at the Commencement of that  
fight was sent to Neosho to bring up  
reinforcements, and while getting the Com-  
mand at that place ready to march  
was surrounded and Captured by Gen.  
McCullough's troops. I afterwards Enlisted  
as a private in 24<sup>th</sup> Infy. Mo. and by  
 dint of hard work and good Conduct  
was promoted to a 2<sup>d</sup> Lieutenant, in that Regiment.

I have been on Staff duty since my  
promotion and am thoroughly conversant  
with duties of Company officer. having had  
under my Charge for a long period all  
the enlisted <sup>men</sup> Employed Dept. Head Quarters.

Colonel:

I have the honor to report that in compliance with your instructions I took charge of a detachment of Eighty-one (81) Prisoners of War, the Duplicate Parole Rolls, and money and effects belonging to the Prisoners on the evening of the 20<sup>th</sup> instant.

The officer in charge of the guard was very attentive and efficient, keeping good order on board the train, not allowing any of the prisoners to leave the cars during the trip.

The train arrived at Indianapolis about 4 o'clock a.m. yesterday. The prisoners were marched immediately to Camp Morton, and turned over to the officers designated to receive them, together with money and effects belonging to them.

After having performed this duty I returned, as directed, arriving in this city at 9.31 p.m. yesterday.

The officer in charge of the guard

Was furnished with transportation, and directed to return as soon as practicable. I was informed by the Superintendent of the R.R. Co. that a car would be furnished for the guard in the train which was to leave yesterday evening.

Has rec information in regard to Capt Owen, local Pro Marshal of New Madrid) as follows: "On the 20 June, an armed party of rebels, knocked down & tied 2 negroes in New Madrid, but were arrested by a guard of the 24<sup>th</sup> and taken before Capt Owen, who after conversing privately, told the man, planning the negroes, that if they were to be taken off. The man then told him, gave I cheer for their Pro Marshal. The most bitter indignation is expressed against Capt Owen in the 24<sup>th</sup> Regt & nothing is done with him, there will be trouble in the Regiment. He now bears the name of the Rebel Regiment. Some have said "They wanted no better secessionist than Captain Owen. I am sorry that this sense of duty. I am obliged to support a brother officer, but

believing from my knowledge of the man, that my information is correct, I must ask for his dismissal from the office of Pro Marshal of New Madrid.

Captain:

I would most respectfully represent that I have received information concerning one Capt G B Owen of 24<sup>th</sup> Mo Vol (who is local Provost Marshal of the town of New Madrid Mo) which should be laid before the proper authorities for their action in the premises: It appears that on the 20<sup>th</sup> of June a party of citizens rebels, armed with knives, knocked down and tied two negroes in the streets of New Madrid, and while doing it were arrested by a guard of the 24<sup>th</sup> Mo Vol and marched to the office of Capt Owen, who, upon being conversed with privately for a short time "turned to the man who claimed the negroes and told <sup>him</sup> them if they were his property to take them and be off" at which they (the armed citizen rebels) gave three cheers for their Provost Marshal: my information goes on to say "that the most bitter indignation is expressed toward Capt Owen by almost every man in the Regt" 24<sup>th</sup> and that "if something is not done with him something lively will be heard from the Regiment": My informants state, that "we now bear the name of a rebel Regiment and citizens here have been heard to say that they did not want better secessionists than the Provost" meaning Capt Owen: It pains me exceedingly to be compelled by my sense of duty, to report a brother Officer, but believing from my knowledge of the man, and ~~knowing~~ that my information is correct: I must

ask. for the good name of the Regiment and its discipline,  
that the said Capt C B Allen be removed from the position  
he holds as Provost Marshal of the town of New Madrid Mo :  
Hoping that you will give this the consideration it deserves

Sir:-

I have the honor to request that you will make an examination of Capt. Chas. Bowen, Co. D. 24<sup>th</sup> Mo. Inf. Vol. with a view to granting him such a certificate as will obtain from him a leave of absence for the space of thirty days or more. The Capt. is in a feeble condition, & scarcely able to move about the house. He has been thus weak for some weeks and although he has had every attention it seems impossible to regain his health and strength in this climate, and I believe his only hope of recovery lies in his being sent North.

The Capt. has been in service for

more than three years, I have been an  
active and efficient officer, never  
shirking his duty. His present illness  
was incurred while in active service  
in the field, and I believe he has  
well earned the favor I now ask  
for him.

the fact is I want my  
Pay & as there is no  
Regular Army officer  
here who can be made  
mustering officer I will  
pay my own fare to St Louis  
& return if I can get  
the Privilege of going down  
& if You will attend to this  
I will be under many  
obligations -  
Very Respectfully  
Oth. S. B.  
S. C. Beck  
Capt & Co

P.S.  
I just want Permission or  
an Order to go there to be  
mustered out of my Regt

I wrote You a letter  
& sent by a man  
this morning but as I  
learned the Particulars  
since of Smalley being  
appointed mustering officer  
I thought I would write  
again & explain although  
Col Boya promised to  
do so

FINAL STATEMENT

OF

Private Nathan M. Pearce Co. B  
24<sup>th</sup> Reg't of Ind. Inf'ty

VOLUNTEERS.

Died April 26, 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list was incomplete. These accounts for back pay, &c., are settled by the Quartermaster of the Army Department.

NOTE 4.—Charges for loss or injury to accoutrements, horse equipments, and other miscellaneous charges, should be entered under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Surter and Landwages must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

(ORDERS.)

This application should be addressed to the commanding officer of the Regiment, and if approved by him, forwarded to District Headquarters.

Furloughs are made out only on the approval and request of the commanding officer of the Regiment or Battery. The endorsement on first fold will give the name, rank, Company and Regiment of the man to be furloughed, instead of the writer; but will, in other respects, conform to General Orders, No. 2, current series, from these Headquarters.

Enlisted men sick in General Hospital or upon detached service, will receive furloughs in the proper proportion, upon the recommendation of the officer in charge of detachment, etc. and Regimental Commanders cannot include such absent men in estimating the five per cent. to be furloughed from the Regiment.

Sir: I accept the

necessity that compels me to offer my  
resignation as Chaplain of the Regiment; My  
association with you has been altogether plea-  
sant - but my health is such, as you will  
be sure by the certificate of Surgeon accompanying this,  
that it is a duty I owe to my family and myself,

to retire upon honor that all the Public  
property that was in my hands has been turned over  
to the proper authorities and that I have receipts  
for the same. I was last paid by Major J. O. Bulver  
and up to the 31<sup>st</sup> of June. 1862. I am not  
indebted to the United States Government in any respect  
whatsoever. I desire my resignation to take effect immediately.

Rev. A. H. Powell Chaplain  
of 24<sup>th</sup> Mo. vol. having requested  
me to examine him, I find him  
suffering from Hemorrhoids, and  
varicocele of the left spermatic cord.

From both of these diseases he  
suffers severely when obliged to ride  
on horseback, as in case of March.

He has also a chronic pleuritic  
affection with probable adhesion of  
the pleura of the right side, which  
is generally increased on occasions  
of speaking in the open air as is  
necessary in the Army.

In view of this condition  
of his Physical System, jeopardizing  
his present personal comfort, and  
future health, I would respect-  
fully recommend that his resignation  
be accepted.

Lt. Col. Mills,

Dear Sir,

Owing to the fact, that there are a number of sick, and wounded at this place, and there being no Chaplain regularly detailed for this post, and believing that I can accomplish as much, or more good by remaining than I could by going with the army, at least for the present. I therefore ask the privilege— if it meets the approbation of the General commanding— to be detailed as Chaplain for this post.

I am induced to make this request from another consideration. Col. Boyd, with two Companies of our regiment are in Rolla, yourself, with another portion of the regiment are here, while the remainder are with Major Weston, in the field.

Yours Respectfully

Alfred H. Powell,

Chaplain 24<sup>th</sup> Mo. Vol.
